

Point Isabel Independent School District
Raising Blended Learners Showcase-Elementary
 Wednesday, November 7, 2018

Location: Derry Elementary Multipurpose Facility, 1701 2nd Street, Port Isabel, Texas 78578

Agenda

8:30- 9:00 Check-In and Breakfast

- a. Visitor parking available in the parking lot in front of the campus.
- b. Participants arrive and check-in at the computer lab.
- c. Participants may enjoy breakfast in the multipurpose facility.

9:00-9:20 Welcome and Frame the Day

- A. D.J. Canales, Technology Administrator and Blended Learning Project Manager, will describe the “why” behind the transformational process for transitioning from a traditional classroom to a blended learning classroom to provide a more personalized learning experience for students.
- B. Logistics of the classroom visits will be explained. Some participants will travel to a neighboring elementary school for the personalized learning classroom visits.

9:30-11:15 Personalized Learning Classroom Visits

- A. Participants will visit Kindergarten-5th grade classrooms and the data room, and hear a few words about the journey from the elementary principals.
- B. Utilize the [Elementary Instructional Framework](#) for context to what you notice. What is happening in the student experience now? Participants are encouraged to talk with students.

11:30-12:00 Networking Lunch

Participants may enjoy lunch and network with other attendees.

12:00-12:10 Frame Round Table Discussions

- A. Ana Holland, Assistant Superintendent for Curriculum and Instruction, will explain the purpose and expected outcomes of the round table discussions.
- A. Various Round Table discussions will be lead by teachers, students, and administrators.
- B. Participants may rotate through through four stations lasting approximately 15 minutes with 3 minutes allotted for switching between stations.

12:15-1:30 Round Table Discussions with Teachers, Administrators, and Students

- A. Pick four topics
 - 1. Student Agency and Student Voice
 - 2. Teacher Transformation
 - 3. Leadership Journey
 - 4. Collaboration/Mentoring
 - 5. Data Driven Instruction
 - 6. Systems of Support
- B. Ideally, the recommendation is to have 10 people or less per table to allow for more intimate and collaborative conversations.

1:30-2:00 Participant Open Forum: Noticings, Wonderings or Shout Outs

- A. Participants will have the opportunity to have a voice and share noticings, wonderings, and/or shout outs about any part of the showcase.
- B. Participants are encouraged to complete Feedback Survey.
- C. Closing
