Point Isabel Independent School District Gifted and Talented Program

PHILOSOPHY

We believe that all students possess unique gifts and talents. Each student given the proper challenges can reach his/her maximum potential.

The Point Isabel Independent School District is committed to ensuring those students with exceptional ability will be provided with challenging learning opportunities.

TEXAS DEFINITION

Gifted and Talented students are those who perform at or show the potential for performing at a remarkably high level of accomplishment when compared to others of the same age, experience, or environment and who:

1. Exhibits high performance capability in an intellectual, creative, or artistic area;
2. Possess an unusual capacity for leadership; or
3. Excels in a specific academic field.

POINT ISABEL INDEPENDENT SCHOOL DISTRICT DEFINITION

All students possess certain or unique gifts and talents; however, some students of the same age, experience, and environment perform at a remarkably higher levels of achievement. These students, who are intellectually or academically gifted, will be served in the Point Isabel Independent School District's Gifted and Talented Program.

GIFTED AND TALENTED PROGRAM DESCRIPTION

KINDERGARTEN – 5TH GRADE

Students in the Gifted and Talented Program in kindergarten – 5th grade will be served in the four core content areas. Students will be provided with differentiated instruction, enriched online curriculum which adds depth and complexity to the Texas Essential Knowledge and Skills.

SPECIFIC SUBJECT MATTER APTITUDE

GRADES 6-8

Students in the Gifted and Talented Program in grades 6-8 will be served through a departmentalized program in Mathematics, Language Arts, Science, and Social Studies. Students will be provided with an enriched curriculum which adds depth and complexity to the Texas Essential Knowledge and Skills.

HIGH SCHOOL PROGRAM

GRADES 9-12

Port Isabel High School Gifted Students will be served in the Pre-Advanced and Advanced Placement Program. The teacher will have both advanced placement training as well as training in strategies for teaching gifted students. The services provided will include the differentiation of the AP and Pre-AP curriculum for gifted students.

GIFTED AND TALENTED PROGRAM GRADES K-12

IDENTIFICATION PROCEDURES

I. NOMINATIONS

- A. Students may be nominated by any professional Point Isabel I.S.D. staff member. (Form D)
- B. Parents may nominate their child by obtaining a nomination form from the Principal's Office. Nomination forms are available in English and Spanish. The campuses will notify the parents when nominations are being accepted. (Form A)
- C. In January kindergarten nominations will be accepted following the criteria outlined in Section I of this document. Testing will be completed by the end of February and students who qualify will begin gifted and talented services no later than March 1st of the school year.
- D. Each school year for grades 1 – 11 in December, new nominations will be accepted following the criteria outlined in Section I of this document. Testing will be completed by the end of the school year.

II. ASSESSMENT

1. Parental permission must be obtained for students to be tested. (Form E)

III. SELECTION

1. All student assessment data is summarized on the matrix for each student.
2. A meeting of the selection committee is held. The committee is composed of a minimum of three campus educators who have received training in gifted and talented education and represent each grade level at the elementary level or each core content area at the secondary level.
3. On a basis of points earned on the matrix, the student will be invited to participate in the program. (Form F)

IV. STUDENT TRANSFERS

1. Students new to the Point Isabel Independent School District may be nominated for the program after being in the regular education program for at least two weeks. After two weeks, the student may be nominated by his/her teacher and/or parent. Once nominated, the same procedure will be followed as outlined in this document.
2. Students entering the District who have been in a state-approved gifted program or who have been identified as a gifted and talented student in their previous District and whose

records indicate a high potential, will be placed in the Gifted and Talented Program for the rest of the school year.

- a. The campus administrator or designee must secure all documents from the previous school district.
- b. A parent permission form (Form H) must be signed and filed for students transferring into the Point Isabel Independent School District Gifted and Talented Program.

V. FURLOUGHS

Students who are unable to maintain satisfactory performance within the structure of the Gifted and Talented Program may be placed on furlough by the selection committee. The purpose of such a furlough is to provide the student an opportunity to attain performance goals established by the selection committee.

A furlough may be granted at the request of the student or the parent. The selection committee will decide also on the length of the furlough based on individual circumstances. Furloughs should be granted for extenuating circumstances. This will be allowed only once during the school year. (Form K)

Description of Assessments

Jacob K. Javits – This is a teacher assessment scale, which addresses student learning, motivation, and creativity.

Standard Progressive Matrices (Raven) – This is a non verbal test of a person’s capacity at the time of the test to comprehend meaningless figures presented for his/her observation, see the relations between them, conceive the nature of the figures completing each system of relations presented, and, by doing, develop a systematic method of reasoning.

Achievement – A test that measures the extent to which a person has achieved: something acquired, certain information, or mastered certain skills, usually because of specific instruction.

- The Northwest Evaluation Association – Measures of Academic Progress (NWEA-MAP) is used to assess English dominant students in grades K – 11 and students instructed in Spanish in grades K – 2.
- Logramos is used to assess Spanish dominant students in grades 3 - 11.

Texas Performance Standards Project Description of Texas Performance Standards Project (TPSP)

The Texas Performance Standards Project (TPSP) is designed to help districts reach the state goal for gifted/talented students, which states that students who participate in services designed for gifted students will demonstrate skills in self – directed learning, thinking, research, and communication as evidenced by the development of innovative products and performances that reflect individuality and creativity and are advanced in relation to students of similar age, experience, or environment. The Texas State Plan for the Education of Gifted/Talented Students recommends the use of the TPSP as both formative and summative assessments and a means to evaluate the District’s gifted/talented program.

EXIT PROCESS GIFTED AND TALENTED PROGRAM

- I. **Parent Initiated:** The campus principal shall honor a parent's written request to exit their child from the Gifted and Talented Program. The principal or designee will schedule a parent conference to discuss the situation and to advise the parent that one (1) full academic school year must have elapsed before said student may again be nominated (Form O). The student may then qualify for the program using the most recent Gifted and Talented qualification standards.
- II. **School Initiated:** The school will exercise its right of student placement and will exit, by due process, a student from the Gifted and Talented Program if an Exit Committee determines that the student is not benefitting from the program. The Exit Committee shall be comprised of a minimum of three campus educators, who have received training in gifted and talented education and represent each grade level at the elementary level or each core content area at the secondary level. This student will be immediately reassigned to a regular classroom and parent(s) will be notified of this action (Form P). One (1) full academic school year must have elapsed before said student may be nominated again. The student may then qualify for the program using the most recent Gifted and Talented qualification standards.
- III. The decision of the Exit Committee shall be final unless the appeal process is initiated by parent(s) according to the campus appeals procedures.
- IV. **Appeals Procedures:** The parent(s) of a Gifted and Talented student may appeal the decision of the Exit Committee.

Parent of the student may appeal any final decision of the Exit Committee. Appeals shall be made first to the Exit Committee. Any subsequent appeals shall be made to the Superintendent or his/her designee as follows:

- a. Request for a Superintendent hearing to appeal a decision to exit a student from the Gifted and Talented Program shall be made in writing to the Superintendent within three (3) school days after receipt of the written decision. The Superintendent shall provide the parent written notice of the date, time and place of the hearing within five (5) days of receipt of the appeal and shall base the decision on the record prepared by the Exit Committee and its recommendation.
- b. Request for a Board hearing to appeal a Superintendent's decision to exit a student from the Gifted and Talented Program shall be made in writing to the Superintendent within three (3) school days after receipt of the written decision. The Superintendent shall provide the parent written notice of the date, time, and place of the Board hearing within five (5) days of receipt of the appeal.

CAMPUS APPEAL PROCEDURES

The parent of a student who wishes to appeal a selection decision made by the Gifted and Talented Campus Selection Committee may do so by following these steps:

1. Within ten (10) business days after the Selection Committee's decision has been announced, an appeal may be made to the campus principal in writing. At this time the selection procedures and the individual student information will be reviewed with the appellant by a building administrator.
2. Should a person wish to appeal the placement decision, a letter of appeal shall be submitted to the principal who will forward the letter to the Campus Selection Committee. The letter of appeal must include a statement of the problem(s) and any explanation or information pertinent to the situation. Only one (1) appeal addressing all concerns per assessment process will be permitted. If the parent so desires, he/she may appear personally before the Campus Selection Committee and should so indicate in the letter of appeal. The principal will notify the person of the date, time, and location of the meeting.
3. Within five business days after the meeting, the Campus Selection Committee will respond in writing to the appellant of its intent to either remain with its original decision or to amend its decision. The committee's letter must explain its action.
4. Students who wish to appeal to the Campus Selection Committee should do so through a parent.
5. After the above process has been exhausted, further questions regarding identification should be directed to the Superintendent of Schools or his/her designee. (Section IV Appeals Process).

The following principles shall guide the staff in responding to appeals:

1. All information regarding the identification of students is confidential and should be regarded as such throughout the identification, selection, and appeals process.
2. No parent has the right to information about any other student(s) other than his/her own child.
3. No parent has the right to copies of test that are protected by copyright laws. Parents do have the right to their children(s) score(s).
4. Evaluation forms will be anonymous when shared with parents.
5. The Campus Selection Committee will meet as needed to consider appeals.

RE: Nominations for Gifted and Talented Program

The Point Isabel Independent School District is now accepting nominations for the Gifted and Talented Program for the next school year. This program serves the students of our District with exceptional intellectual ability.

A student may be nominated for the program by his/her parents or by a professional school staff member. When a student is nominated for the program, a parent permission form will also need to be completed for further testing. When all the information is gathered, the Selection Committee will meet to determine which students qualify for the program.

If you wish to nominate your child for this program, please come by or call your child's school and request a copy of the "Parent Inventory". Fill out the Inventory and return it to the school office by _____. Should you have any questions about this program or the selection process, please feel free to call your child's principal.

Sincerely,

Campus Principal
