TAKING TEST PRAYER

Dear God,

Thank you for giving me a good brain to think and do my work
 Thank you for helping me to use it for you.
 Thank you for helping me every day to do my homework
 Please help me with my test today.
 I need you to help me remember what I need to know
 Help me to recall the correct answer that I studied.
 Help me not to worry, but to be calm.
 Thank you for helping me to do my best as I studied.

In Jesus name, Amen.
