

Words cannot express the appreciation I have for all of your cooperation this past week during the first round of STAAR testing. Thank you to Ms. Marchan for her organization of all staff and students. Thanks to the teachers who “bent over backwards” to accommodate all students. Thank you to the Office staff for ordering food for the testing staff. Also, the Central Office staff “rocked” at their first ever testing experience. We were error-free this round. Round 2 comes in just 19 days. We can do this!!!!
